### READERS

Please use either **"This is the word of the Lord"** or **"For the word of the Lord..."** as the concluding remark on your readings. These two make sense of the congregation's responsive declaration "Thanks be to God".

The Psalm is generally sung by the choir, but occasionally will be read alternately from *Uniting in Worship*.

If you are unable to read on the day set down, please arrange to exchange dates with another person on the roster, and advise Jenny Hooke of the change. The readings in the New Revised Standard Version can be found via the appropriate date link at <http://www.io.com/~kellywp/>.
